S.W.L
100KG

FEATURES & BENEFITS

- **Compact Folding:** Legrests remain attached to the chair to ensure essential components are not misplaced during transit.
- **Generous Cushioning:** Plush padded mesh seat and backrest provide enhanced seating comfort.
- **Ergonomic Design:** Easy and personalised legrest height adjustment.
- **Flip-Up Armrests:** Simplifies transfers whilst improving access to tables and work surfaces.
- **Carer Confidence:** Equipped with attendant and user operated handbrakes for enhanced safety.
- **Independence:** Push rims and user operated brakes allow greater user independence and flexibility.
- **Essentials Pouch:** Stow small items neatly in the integrated backrest pouch.
- **Spoke Wheels:** Classic 20" rear wheels with push rims for improved mobility.
